

Watarrka National Park

HEAT MANAGEMENT STRATEGY

- On Park Locality
- Off Park Locality
- Sealed Road
- - - Unsealed Road
- ⋯ 4WD Track
- ▭ Park Boundary
- ☕ Cafe
- 🏠 Accommodation
- 🍽️ Meals
- 🏕️ Bush camping
- 🚰 Fuel
- 🚐 Caravan camping

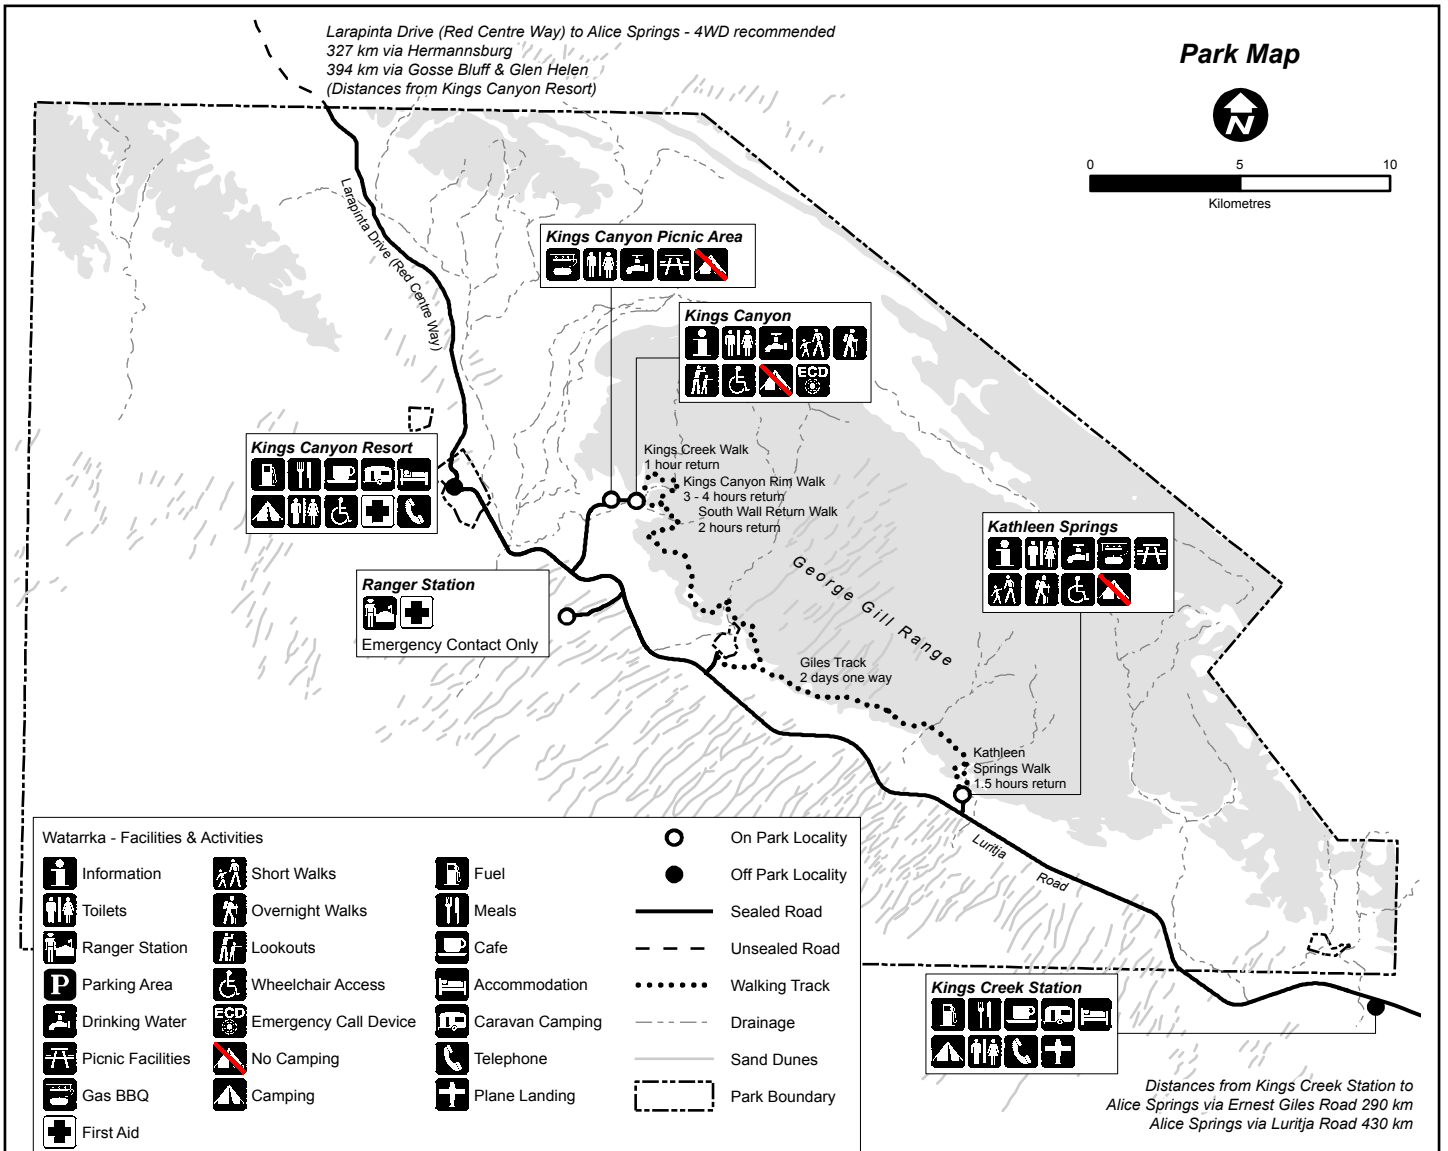

The Parks and Wildlife Commission has introduced a strategy to improve visitor safety at Watarrka.

On days when the temperature is forecast to be 36°C or above*, visitors wishing to undertake the **Rim Walk** need to start their walk **before 9.00 am**.

On days when the temperature is forecast to be 36°C or above*, visitors wishing to undertake the **South Wall Return Walk** need to start their walk **before 11.00 am**.

Signs at the Park will be updated daily to indicate current access conditions. There is **no drinking water** available on the Rim.

* Based on Bureau of Meteorology forecasts for Watarrka.
