RESPONSE GUIDE

SECTION 1. OVERVIEW OF FESTIVAL OR EVENT

5 POINTS

Question 1.1

5 points

Question 1.1.A Provide an overview of the festival/event.

(text box response)

Response Guidance

This is where you set the story of the festival/event and give the judges insight into the visitor experience on offer. It is recommended that you begin by explaining the reason for the development of the festival/event, how it started and why the chosen time of the year, and who it is targeted towards. What is the purpose/goal/objective of the festival/event?

You should then take the judges on a journey of the festival/event, including key people or organisations involved, details of how long it has been running, any significant changes that have happened over time or how the festival or event might have evolved.

Ensure that key information on the festival or event duration and scale is included here – whether it is a single day event, weekend or longer, whether it is a daytime or evening event, number and type of venues, the capacity of the venue(s), etc.

Demonstrate why the festival/event should be considered as an award-winning tourism festival/event by highlighting the points of difference and what sets it apart from other festivals/events. Specify amenities or facilities that enhance visitor satisfaction.

This is where the judges (and auditors) will gain an understanding of how it fits into the category; it is important to clearly demonstrate your eligibility for this category as related to the descriptor to ensure there is no misunderstanding as to why you have entered this category rather than the other Festival/Event category.
